

## OFF CAMPUS CONSENT AND RELEASE 2023-24

Roots High School places a high value on application in learning, and as such, we sponsor a number of activities throughout the school year. Occasionally, classes will go off-campus within walking distance to develop their learning beyond the classroom. The purpose of these activities is to expand the students' knowledge and practical experience.

By signing below, you are giving consent for your student to leave campus for various short-trips within walking distance of Roots High School. All trips will be accompanied by a Roots staff member and will only take place during that teacher's class period. This form will serve as documentation for the entire 2023-2024 school year.

Students who participate in class field trips that extend beyond the mentor's class period and/or that require approved parent transportation will be required to have a Field Trip Permission Waiver signed by a parent/guardian and is not included in this waiver.

I certify that I have medical insurance or otherwise agree to be personally responsible for costs of any emergency or other medical care that I receive. I agree to release Roots High School and its employees from the cost of any medical care that I receive as a result of my participation.

Consent is expressly given, in the event of an injury, for any emergency aid, anesthesia, and/or operation, if in the opinion of the attending physician, such treatment is necessary."
